Acorn Club Tournaments

- Description:** The Acorn Club Tournaments are a series of events open to all members. Some are stand alone and some will be qualifiers for NCGA events. You may pay the annual entry or pay entry on a tournament by tournament basis. Couples tournaments are not Acorn Club events.
- Annual Entry:** **\$175.00.** (Includes NCGA Event Qualifying Stipend Entries). You may pay the annual entry up to the 2nd event. Afterwards you must pay on an even by event basis. Entry fees are **\$40.00** for NCGA Qualifying events if attempting to qualify and **\$25.00** per event otherwise. Annual entries will not be refunded if you leave the club or change member status.
- Qualifier Entries:** Players who qualify and compete beyond the local level in NCGA qualifying events will have their entry fees paid at every level through to the final championship.
- Qualifier's Stipend:** All players who compete beyond OGCC in any NCGA events will split the qualifier's stipend for that event evenly if they attempted to qualify in that event, even if they are a substitute. The stipend will be \$7.50 per player for each player attempting to qualify in that NCGA Event.
- TOC & Acorn Cup:** The top 60 men and 24 women & ties with the highest point totals after the Razzle Dazzle will qualify for the Tournament of Champions and play for the Acorn Cup. Players lower down the point list than this will only be contacted if expected participation falls below 52 men and 20 women, and then only in order of points earned.

Information & General Rules

The information listed herein is as accurate as possible for each event to begin the season, but the Tournament Committee, inclement weather, or abnormal course conditions may require changes to the rules sheets herein. Any changes will be noted on either the tournament sign-up and/or format sheets provided prior to each event.

The following apply to all participants:

1. USGA & local rules apply to all events herein. Exceptions will be noted on the rules sheet prior to each event.
2. Summer Rules will be in effect unless otherwise noted on the provided rules sheet.
3. Events herein use the OGCC Tournament Handicap or Low Index of the last 12 months if you do not have one, but all members must keep a verifiable GHIN handicap at OGCC to participate in any events.
4. Any player who does not have at least 6 18-hole scores posted in the previous 12 months will have their handicap inactivated and must compete to 80% of their L.I. until their handicap is active again.
5. Non-Member participants in any event listed herein WILL BE subject to playing to their low index of the last 12 months. Members or Non-Members who do not have a valid handicap will play to a maximum handicap of 18 for men and 27 for women. Members or Non-Members may also have their handicap cut by the handicap committee if they have a history of exceptional tournament performance in OGCC Events.
6. Exchange scorecards with your fellow competitors, attest scorecards upon completion and return them immediately after the round to the designated scoring area.
7. Per USGA Rules, music may not be played during the course of any Acorn Club Events, whether it be from a cart, radio, or through the use of headphones.
8. The use of cell phones to make or receive phone calls during the tournaments herein is prohibited. The only exception to this rule is for communication with the golf shop or restaurant. Texting is O.K., as long as it doesn't unduly delay play. Violation of this rule will result in disqualification.
9. Juniors age 14 and up may participate along with either of their member parents in Holiday Couples' Tournaments, the Junior-Senior, The Turkey Shoot (with any adult member), Twilight Golf, and the Couples' Shootout. Juniors of any age may participate in the Junior Boys or Girls Championship Flight of The Club Championship.
10. **TOURNAMENT AWARDS DINNER:** Flight and overall winners of Acorn Club & Holiday Couples Tournaments qualify for the Tournament Awards Dinner as they are the events which contribute a portion of the purse to the Tournament Awards Dinner Fund. Ties for first place overall or in a flight will be broken by a card-off. Individuals who qualify are eligible to bring one guest as a reward for their qualifying, however, couples that qualify (whether individually or as a couple) **may not each bring a guest.**

2019 O.G.C.C. Tournament Handicap

Participants in all tournaments listed in the O.G.C.C. Tournament Program will play to their Oakdale Golf & Country Club Tournament Handicap unless it is more than 2 strokes higher than their current GHIN Handicap where it will be capped. The calculation is listed below.

Scores Posted: The adjusted score for all events in this program where there is an individual score as well as the Men's, Ladies, Couples, and Srs. Invitationals will be posted to the OGCC Tournament Handicap.

Scores Date Range: We will only count tournament scores from the current and the previous calendar year.

Minimum Scores: If you do not have at least 3 tournament scores you will play to your lowest index of the last 12 months until you do unless you are subject to the *opt-out penalty*. New OGCC Members will also compete to their lowest index of the last 12 months until they have an OGCC Tournament Handicap.

Opt-Out Penalty: Any player who opts-out of competing in at least 2 OGCC Tournaments (that have a postable round) for the entire previous calendar year, without an excusable injury, will play to 90% of his/her lowest index of the last 12 months until he/she has an established OGCC Tournament Handicap.

Match Play Scores: All match play scores will count in the OGCC Tournament Handicap, however, after a match has been decided both players will be required to post par + their handicap for the remainder of the holes. In addition, a player that is conceded a shot in match play must post what he/she most likely would have made had they played out that hole.

Adjustment: Scores will be adjusted by the old USGA method of adjusting where a member may take the number of double bogeys = to their handicap up to an 18 handicap and then the number of triple bogeys = to the amount their handicap is over 18 if it is higher. The maximum number that any member will be allowed on any hole is a triple bogey.

Formulation: The OGCC Tournament Handicap is capped at using the lowest 5 out of the last 10 tournament scores. You must have a minimum of 3 tournament scores to have a tournament handicap, or you will play to your lowest index of the last 12 months until you do. The formulation table for players with 3 or more scores will be as follows.

3 Tournament Scores	Lowest 1 out of Last 3
4 Tournament Scores	Lowest 2 out of Last 4
5 Tournament Scores	Lowest 2 out of Last 5
6 Tournament Scores	Lowest 3 out of Last 6
7 Tournament Scores	Lowest 3 out of Last 7
8 Tournament Scores	Lowest 4 out of Last 8
9 Tournament Scores	Lowest 4 out of Last 9
10 Tournament Scores	Lowest 5 out of Last 10

Event Types: The T.O.C., Founder's Cup, and Club Championship are premier events that have their own point scales. Qualifiers are the NCGA Zone Qualifier and NCGA Four-Ball Qualifier. Standard Event points are determined by the number of players on a team (2 or 4).

Ties for a Place: Players that tie for a place will receive all of the points for that place and any subsequent places they would occupy divided evenly amongst them. Half points will be rounded up.

Participation: All players who finish a tournament will receive a minimum of *5 points* for participation in that event. Players who participate in all 7 tournaments prior to the T.O.C. will receive a *30 point bonus*, 6 of 7 tournaments a *20 point bonus*, and 5 of 7 tournaments a *10 point bonus*.

Bonus Points: **Net:** In either the Men's or Ladies' Divisions, the Lowest Overall Net Team or Individual will receive bonus points. If it is an individual tournament, they receive a *15 Point Bonus, a two-person event they get a 10 point Bonus, and a four-person event they get a 5 Point Bonus* per person in addition to what they earn in their flight. You may only receive bonus points gross or net (not both) with gross taking precedence.

Gross: In the Men's Division, the Lowest Overall Gross Team or Individual will receive bonus points in the same fashion as listed above, *however, that bonus can only bring them up to equal what the winner of their respective flight earns, not more.* Due to the very small number of potential winners, there is no gross bonus in the ladies' division.

Ties: If there are ties for bonus points all players or teams tied will receive the applicable bonus points for that place divided evenly amongst them.

Minimum Participation: You must play in a minimum of *3 events* to qualify for the *Tournament of Champions*. Players with enough points, but not enough tournaments may qualify as an alternate if space becomes available.

TOC & winning The Cup: The top 60 men and 24 women and ties with the highest point totals after the Razzle Dazzle will qualify for the Tournament of Champions and play for the Acorn Cup. Players lower down the point list than this will only be contacted if expected participation falls below 52 men and 20 women, and then only in order of points earned. **The player with the most points after the TOC will win The Acorn Cup.**

- Weekly Payout:** For weekly payouts, teams will finish and be paid in the order of the team with the most total holes won, both individually and by their 2 best ball teams. For this reason, **as well as the fact that teams will earn points toward the league title according to how many holes they won, all players will play out every hole, even if both their individual and best ball matches have been decided.**
- League Points:** Teams will earn points for the league each week in the following manner. All winning teams will be in the top half and will earn points in descending order with the team with the most holes won amongst all the winning teams earning the most points. The 2nd week the winners will play the winners for 1st and 2nd place and the losers will play for 3rd and 4th. In the playoffs only winning matches will earn 2 points and halved matches 1 point. The team with the most points wins the match. Holes will be played out in case of a tie, with the team winning the most holes earning the tie-breaker. If still tied, the team with the lowest aggregate net score of the 4 players will win the match.
- Deadline:** You must call in your team by 3:00 PM on Thursday of that week. Teams calling in or changing their roster after 3:00 PM will be given a 2-stroke penalty for that week.
- Handicaps:** You will play to your tournament handicap for the month as long as it is not more than 2 strokes higher than your current handicap.
