FROST POLICY

06/18/08 This policy will be in effect during standard time only. Any frost delays that occur during daylight savings time will be handled on a case by case basis.

Reservations:

Due to frequency of frost during standard time we rarely are able to tee off players prior to 8:00 AM, so on **Wednesdays, Saturdays, and Sundays** we will only book advance reservations *after* that time. **On Tuesdays, Thursdays, and Fridays** we will not book advance reservations prior to 9:00 AM due to the ladies 9ers, ladies 18 holers, and seniors groups respectively. You may still play prior to 8:00 or 9:00 AM on these days if course conditions allow, however, play at that time will be strictly on a first come first serve basis. In the case that we have frost and your or your group does not have an advance reservation the golf shop staff will work you in to the best of their ability depending upon which of the conditions below prevail.

Minor Frost Delay:

On **Wednesdays, Fridays, and Saturdays** we will delay any tee times until 9:00 AM. This will generally delay all tee times approximately 1 hour. **On Tuesdays, Thursdays, and Fridays** this will result in no delay in tee times as we will not take reservations prior to the ladies 9ers, ladies 18 holers, and Seniors groups that play on these days.

Heavy Frost Delay:

On **Wednesdays, Saturdays, and Sundays** all advance reservations will be forfeited and there will be a 10:00 Shotgun Start (or later if necessary) for all play, including competitive groups. The pro shop will assign the holes going backward from hole #1 and doubling up every hole until there are no more groups. Players who do not chose to show up for the 10:00 Shotgun will be worked in as they show up if there is space available. **On Tuesdays, Thursdays, and Fridays** if heavy frost occurs we will delay all tee times that follow the ladies 9ers, ladies 18 holers, and Seniors Groups approximately 1 hour.

SLOW PLAY POLICY FOR ACORN CLUB EVENTS

06/12/13 Slow play policy for Acorn Club Tournaments only – June 2013

If a foursome is found to be more than one (1) hole behind, they will be issued a warning, and allowed 30 minutes to catch up. If that foursome is still one (1) hole behind at the end of the 30 minutes, they will immediately be placed on the clock. Being placed on the clock will have two facets:

1. Each player will have 35 seconds to hit their next shot, starting at the time they arrive at their ball.
 - a. The slow play will be penalized 2 strokes. This may apply to more than one person in the foursome. If a player takes “on average” more than 35 seconds to hit their next shots over the course of play for the clocked hole, “that” player causing the slow play will be penalized 2 strokes. This may apply to more than one person in the foursome.
 - b. The marshal shall take notes and record the times taken each shot within the foursome.
2. If the marshal deems that the entire group is playing slowly due to poor time management, wasting time, etc., regardless of the time to take their shots, the whole group will be penalized 2 strokes. Players behind by more than one hole, but still playing within the standard time for a round of 4 hours and 20 minutes will not be subject to the slow play
